双葉家の姉弟

DOUBLE FAMILY TRIBE

STORY

They (siblings) Neko and Osamu. Funke both attend the same school. While the younger brother, Osamu, is dragged off by all the teachers as a delinquent, his older sister Neko is a model student, the student council president, beautiful, studious and beloved by all. But that is all an act... at home, Neko is really a sassy big sis wannabe with her little brother. A cute, and erotic comedy about a big sister who just loves her brother.

Nature's ultimate little brother who looks being treated to by his more capable sister. But is also the only person who truly knows how much she loves him, but he won't let her do it. This may be due to Neko's desire to be a proper big sister, wanting something and family or young fight.
